

MASTER SERVICES AGREEMENT

Synthetic legal document for local software testing only.

This Master Services Agreement (the "Agreement") is entered into as of April 3, 2026 by and between Blue Finch Software LLC, a Colorado limited liability company ("Provider"), and Rowan Retail Group, Inc., an Illinois corporation ("Client").

1. **Services.** Provider will perform software implementation, integration, data migration, training, and support services described in one or more statements of work signed by both parties (each, an "SOW"). If this Agreement conflicts with an SOW, the SOW controls only for the specific services described in that SOW.
2. **Fees and Payment.** Client will pay the fees stated in the applicable SOW. Unless otherwise stated in an SOW, invoices are due within 30 days after receipt. Late amounts accrue interest at 1.0% per month or the maximum rate permitted by law, whichever is lower.
3. **Change Orders.** Material changes to scope, timeline, deliverables, assumptions, or fees must be documented in a written change order signed by both parties. Provider is not obligated to perform out-of-scope work without an approved change order.

DELIVERABLES, DATA, AND WARRANTIES

Synthetic legal document for local software testing only.

4. Deliverables. Provider grants Client a non-exclusive, perpetual license to use final deliverables created specifically for Client under an SOW, solely for Client's internal business purposes. Provider retains ownership of pre-existing materials, tools, templates, know-how, and reusable components.
5. Client Data. Client owns all data, files, records, and content provided to Provider ("Client Data"). Provider may use Client Data only to provide the services, comply with law, or exercise rights under this Agreement. Provider will maintain commercially reasonable administrative, physical, and technical safeguards designed to protect Client Data.
6. Acceptance. Unless an SOW states otherwise, Client has ten business days after delivery to reject a deliverable by identifying material nonconformities in writing. If Client does not reject within that period, the deliverable is deemed accepted.
7. Warranty. Provider warrants that services will be performed in a professional and workmanlike manner. Client's exclusive remedy for breach of this warranty is re-performance of nonconforming services if Client gives written notice within 30 days after performance.

LIMITS, TERMINATION, AND LAW

Synthetic legal document for local software testing only.

8. Limitation of Liability. Except for payment obligations, confidentiality breaches, data security breaches, indemnity obligations, and gross negligence or willful misconduct, neither party's aggregate liability will exceed the fees paid or payable under the applicable SOW during the twelve months preceding the event giving rise to the claim.

9. Indemnity. Provider will defend Client against third-party claims alleging that final deliverables infringe a United States patent, copyright, or trademark, provided Client promptly notifies Provider and allows Provider to control the defense. Provider has no obligation for claims arising from Client Data, Client modifications, or use outside the scope of this Agreement.

10. Termination. Either party may terminate this Agreement or an SOW for material breach if the breach is not cured within 30 days after written notice. Client may terminate an SOW for convenience upon 15 days' written notice and payment for services performed and non-cancelable commitments incurred through the termination date.

11. Governing Law. This Agreement is governed by Colorado law. The parties consent to exclusive venue in the state and federal courts located in Denver County, Colorado.
